Dear stakeholder

Governors and Headteachers from five local schools have been exploring how best to develop deeper school-to-school partnership for a few months, having already seen some of the benefits of working with other schools. These schools are:

- All Saints CEVA Primary School, Laxfield
- Fressingfield CEVC Primary School
- St Peter and St Paul CEVA Primary School, Eye
- Stradbroke CEVC Primary School
- Wortham Primary School

**The schools' Governing Bodies and Headteachers have developed a proposal which would be to create a new multi academy trust, All Saints Schools Trust.**

We are confident that the All Saints Schools Trust would enable each school to flourish through greater collaboration and joint working between member schools.

The proposed multi academy trust would be established in January 2018 by all five schools, which would each convert to academy status.

We have set out in more detail the plan, benefits, vision and management of the proposed All Saints Schools Trust in the attached document.

**Consultation on the proposed plan**

Governors wish to consult with staff, unions, parents, carers, students and the wider school community on the proposal. The consultation will run from Monday, September 11<sup>th</sup> until Friday, October 6<sup>th</sup>.

We would welcome your views on the proposal.

We are also conducting an online survey (paper copies will be available on request) to understand your views before making a final decision in October 2017. The survey will go live on September 20<sup>th</sup>.

Yours sincerely,
